EMILY ROSE SHEREEN FILSOOF

I'm curious, slightly obsessive about understanding things, and happiest when I'm learning something I didn't know yesterday.

Product designer (MSc, ITU) who works across the whole process: research and interviews, flows and prototypes in Figma, and implementation in Webflow, WordPress or code.

EXPERIENCE

MAR 2026 TO PRESENT

Duus Partners P/S

Project Specialist, Digital Product Design · Copenhagen
Promoted from Student Assistant (Mar-Aug 2026) to Project Specialist (Sep 2026)

- Designed and built **vingetogvaerksted.dk**, DSB's live public platform for the new S-train maintenance depot in Vinge: information architecture, UX, visual design and WordPress implementation.
- Designed **The Green Log** end to end, from concept and user flows to landing page, onboarding and prototype. The tool turns 120+ sustainability actions into one guided flow.
- Turn client requirements into flows and prototypes in agile projects.

FEB 2025 TO PRESENT

Bæredygtigt Kulturliv NU

Digital Designer · Copenhagen
Promoted from Student Assistant (Feb 2025-Aug 2026) to Digital Designer (Sep 2026)

- Redesigned the Webflow site and CMS around a new information architecture and maintain it.
- Design visual identity and assets for campaigns, events and a 10-part webinar series.
- Host and facilitate events and contribute to funding applications.

SEP 2022 TO JUN 2024

KOLLAB

Student Assistant, Digital Design & Communication · Aarhus

- Designed and built the company website, owning web design, visual identity and UX.

SELECTED PROJECTS

Vores Side: case with DR

ITU · 2025 · UX RESEARCH, PRODUCT DESIGN

25 user interviews showed young users did not want DR to personalise content. We reframed the login brief from personalisation to participation, prototyped a shared page across DRTV, DR LYD and DR Nyheder, tested it and pitched it to DR.

Breathing the City: MSc thesis

ITU · 2026 · RESEARCH THROUGH DESIGN, WEARABLES

Designed and handmade a wearable mask and field kit that let runners feel urban air pollution through their breathing. Tested in a four-week field study. Solo project.
